

## Effects of Nationalism in Latin America

### Economic

- Governments supported businesses and factories to produce goods.
- Governments raised taxes on imported goods.
- Some nations took control of foreign-owned interests.

### Political

- People lost trust in governments.
- New leaders came to power.

### Cultural

- Traditional art forms enjoyed renewed interest.
- Diego Rivera, José Clemente Orozco, and David Alfaro Siqueiros painted murals of the people's struggles.
- National pride grew.
